Dear Sister Daviau,

On behalf of the Officers of the Canadian Labour Congress, I want to congratulate the Professional Institute on your great victory last week in the Supreme Court of Canada in the case of *Bernard v. Canada* and PIPSC.

The opponents of the labour movement which were intervening in this case in the hopes of laying the groundwork to strike at Rand Formula should take a moment to reflect on this loss. The forceful defence by the Court of the 1991 *Lavigne* decision should send a signal to our opponents that the *Lavigne* decision is as relevant today as it was in 1991.

Congratulations!

In solidarity,

Ken Georgetti
President
