

Winnipeg and Southern Manitoba Branch

- Sunday, June 28, 2015 the Branch hosted members at the very popular Zoo family event. Registration was limited to 275 members and immediate family. The event traditionally sells out quickly and this year was no exception. Participants enjoyed over 400 acres of exhibits and 1,500 animals.

Jay Krishnan, BI (SP) and one of this Region's Better Together Mobilizers was photographed, October 1, in Winnipeg. He is busy with a plant gate and appears to be getting a friendly reception.

Way to go Jay. It looked chilly out.
